Kim,
To the greatest sportwoman of all time. Remember all the wonnerful classes we had together. Remember when we sleptover night with Eileen to watch Planet Blood. And your lovely (big) pajamas. I always loved those nice little chats with Mrs Wargo. Hey Margolis! Go away little girl XXOO

AUIG. F.A.

Sue (Bing)

Kim,
Best of luck to a neat friend. Be good over the summer, and don't do anything I wouldn't do!

A.F.A.
Polly

Kim,
What can I say
Everytime I think of you, I laugh. I hope you always keep your great personality and sense of humor. Remember our great Tuesday and Wednesdays spent walls, how we spent the time playing crap and gambling and the time you put that watch in your pocket and Dobbs Mr. Wagner - your Geamary Teacher and the time you put snuff in your mouth and I just remembered you had a game, the same day. Also, don't forget our great Biology class - such excitment. I have lots of luck and fun throughout your life. A.U.O.B.K.A.Z.T.M.O.D.

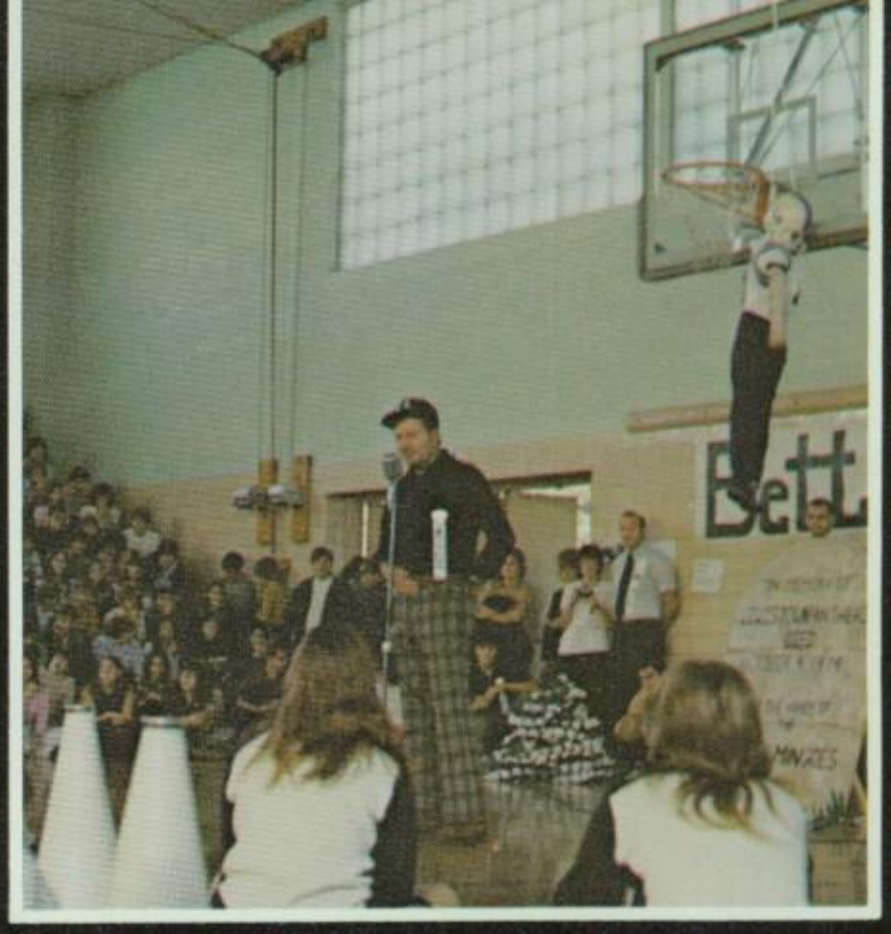
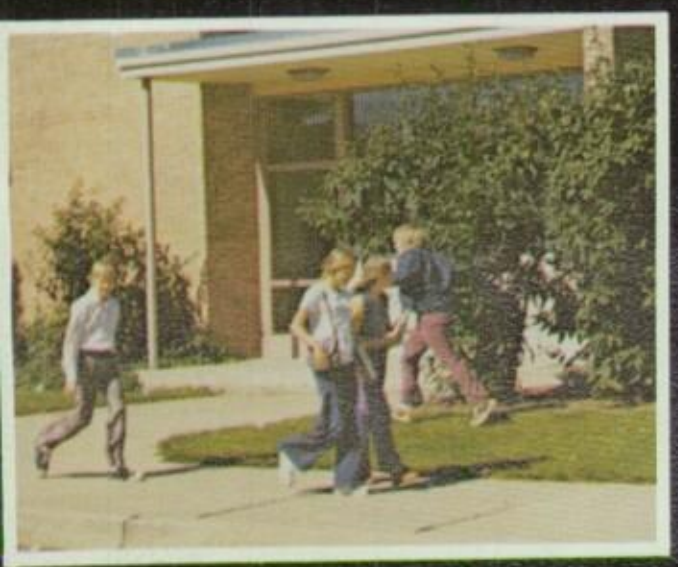
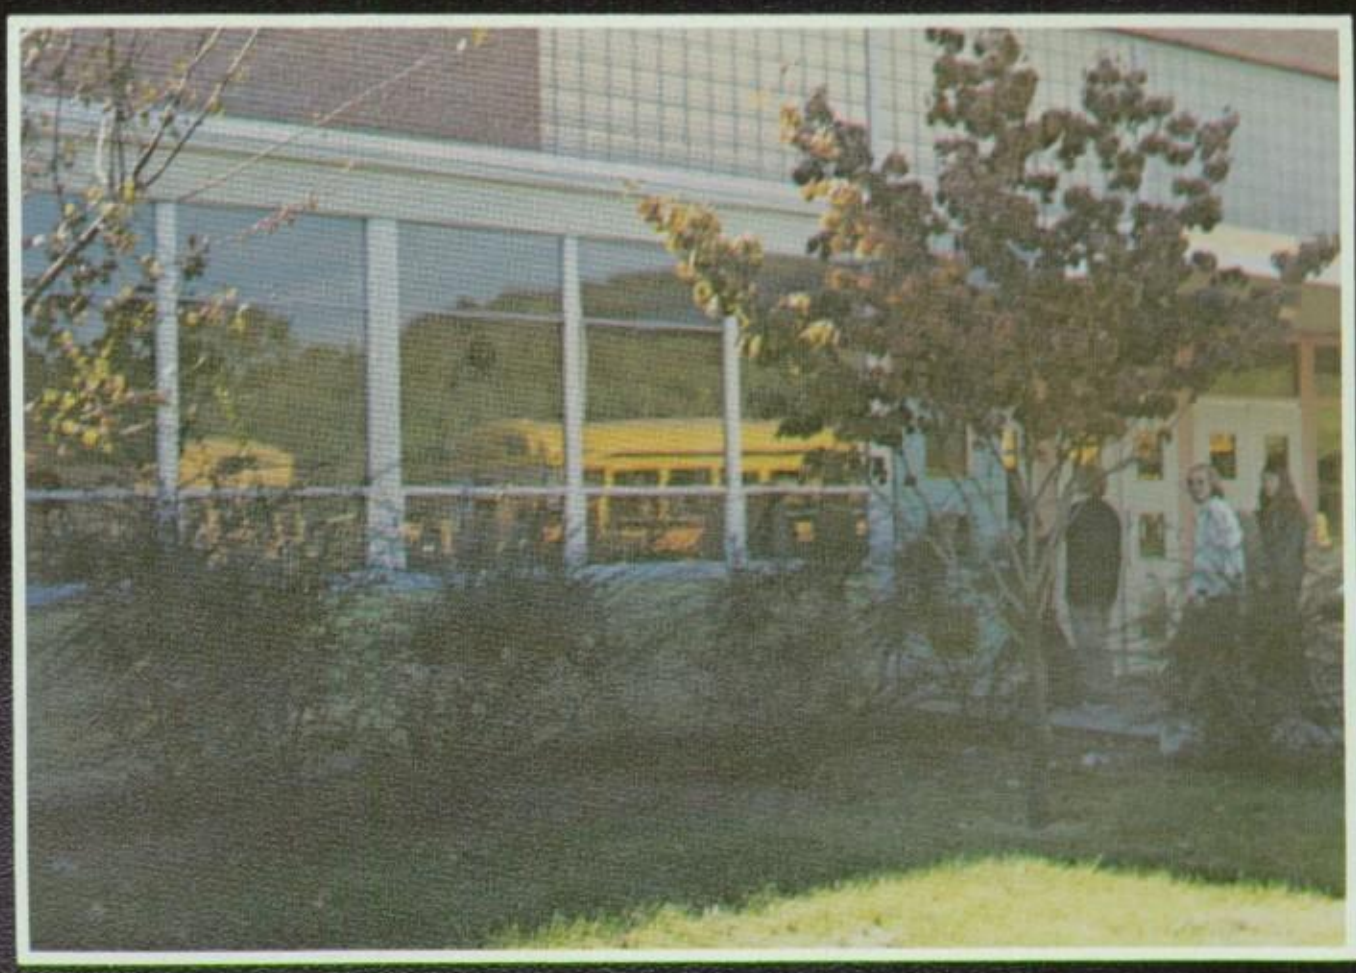
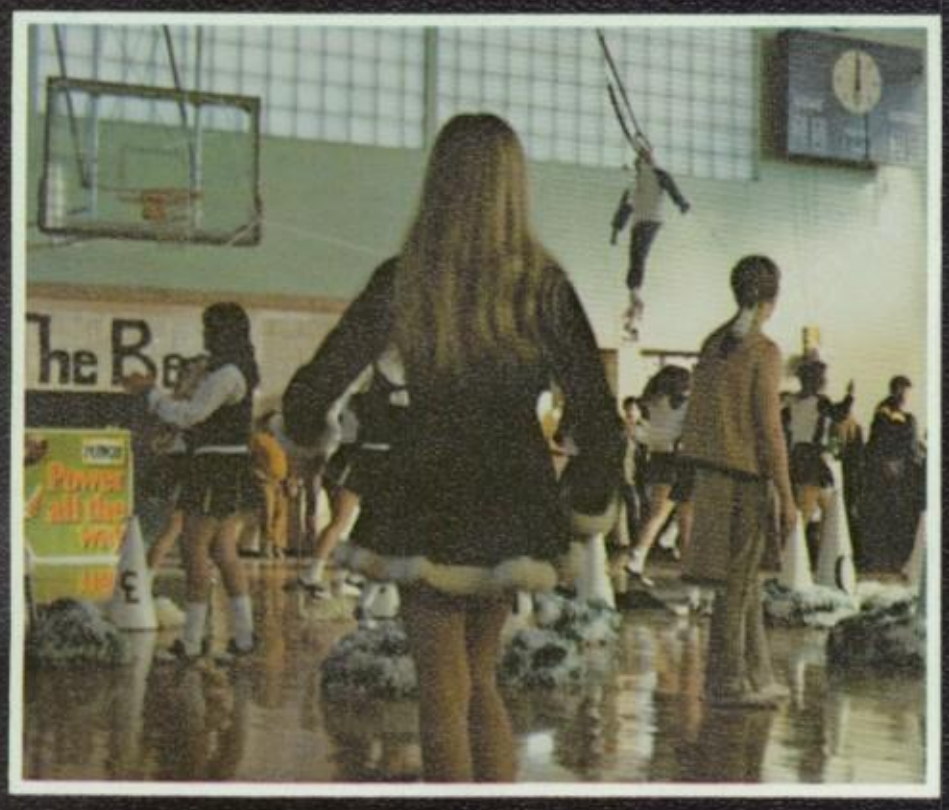
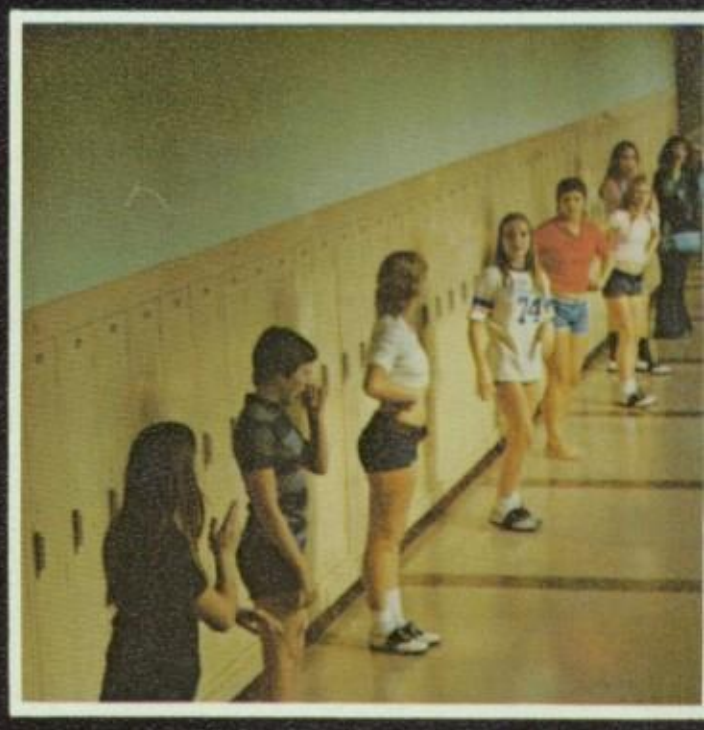
WE ARE PEOPLE

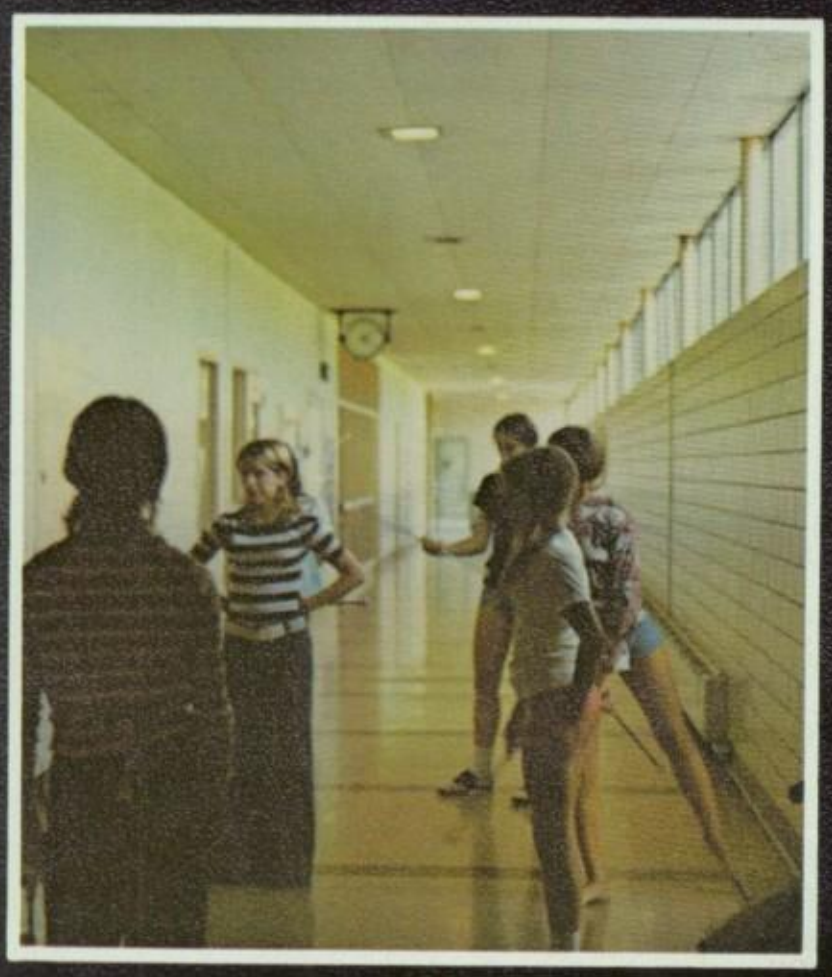


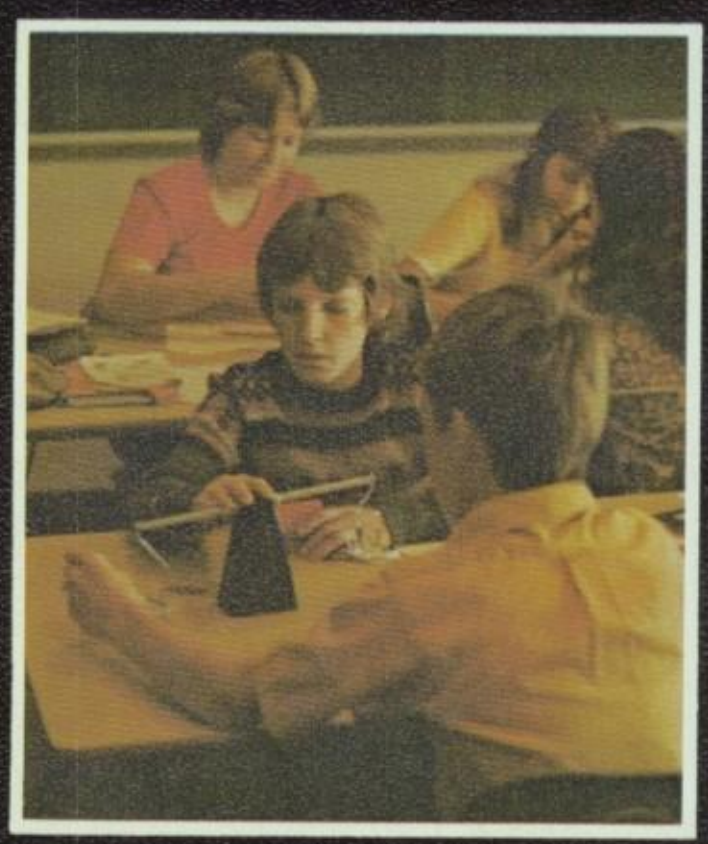








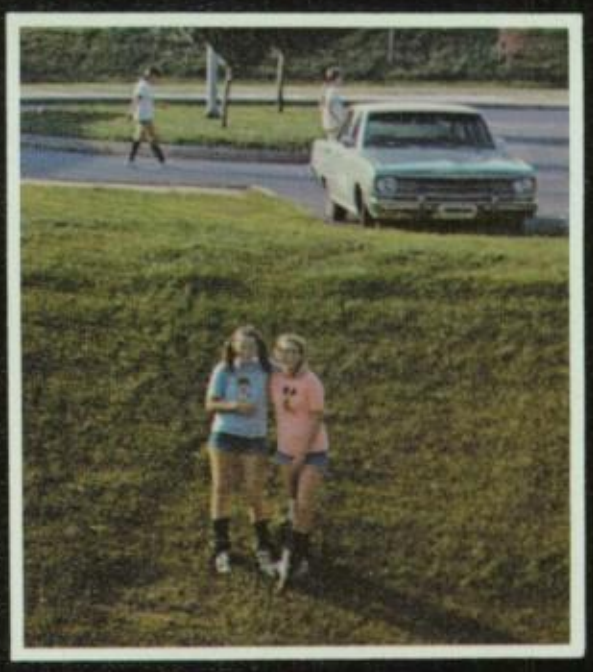


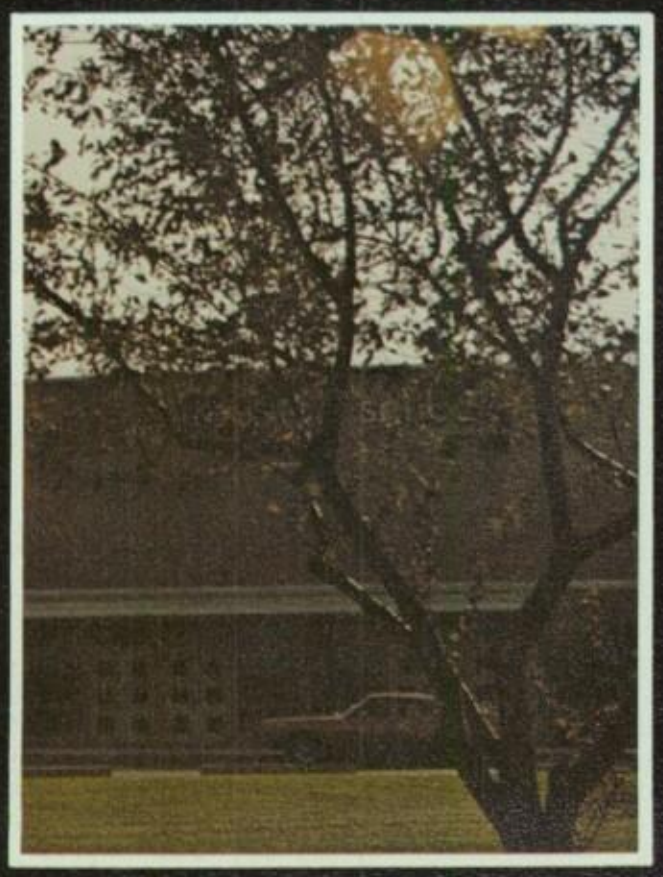


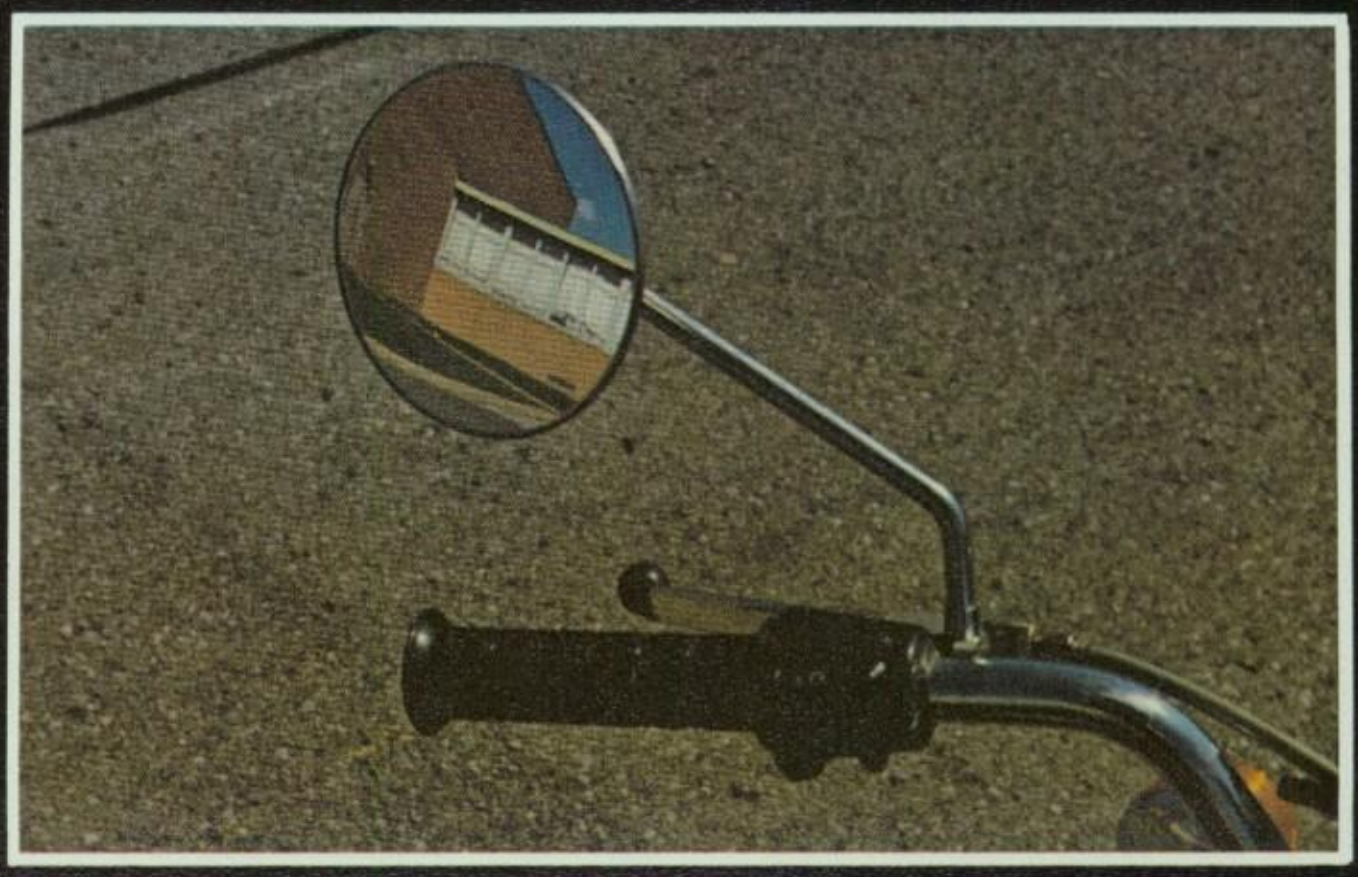
. . . WHO NEED PEOPLE.

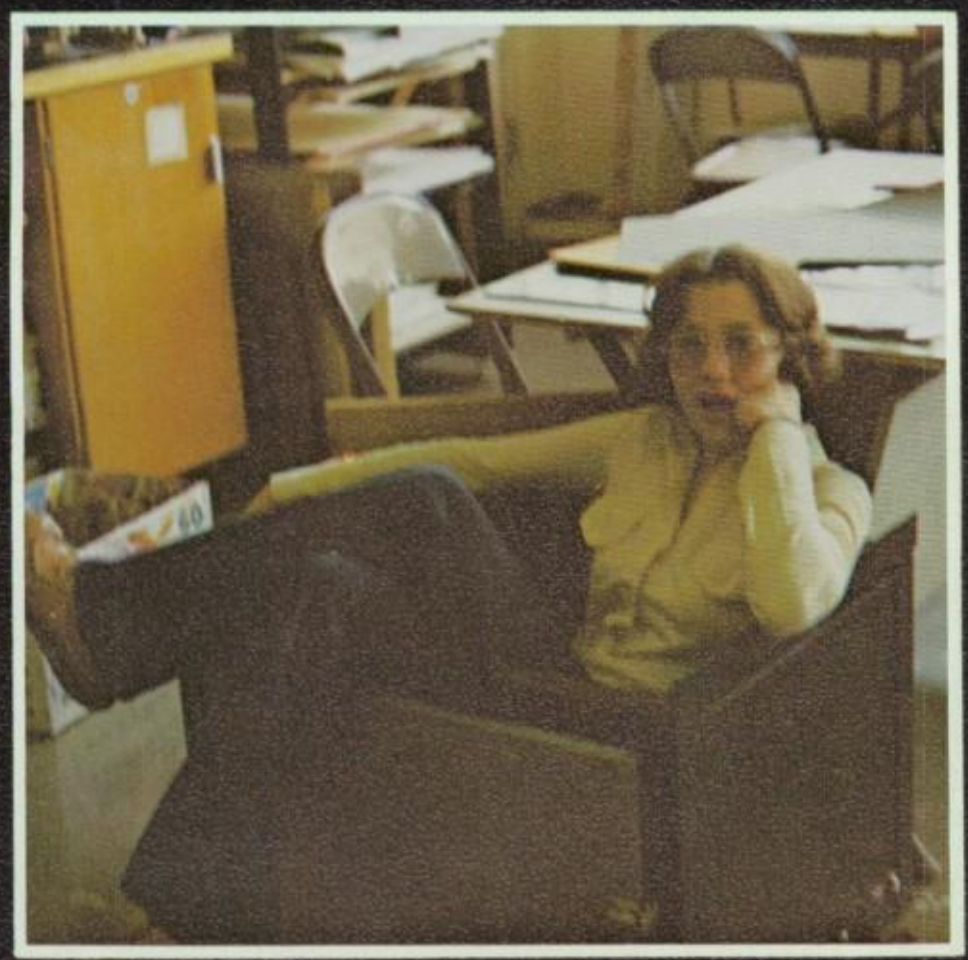
My girdle is killing me.

Guess who's chewing gum is stuck on her mouthpiece.









SMILE CHIEF LOGAN . . .

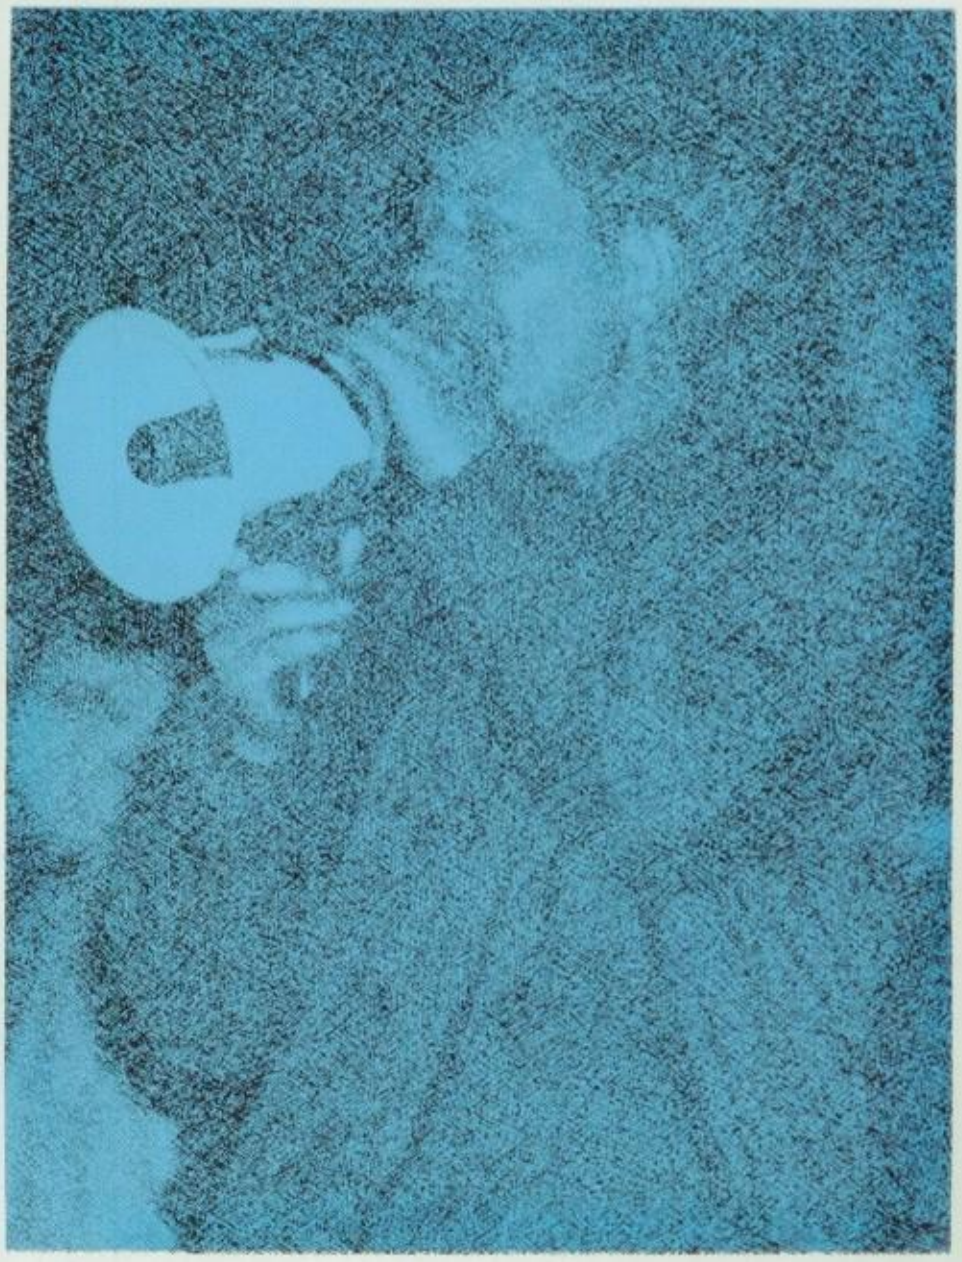
Yes . . . You do have dandruff.

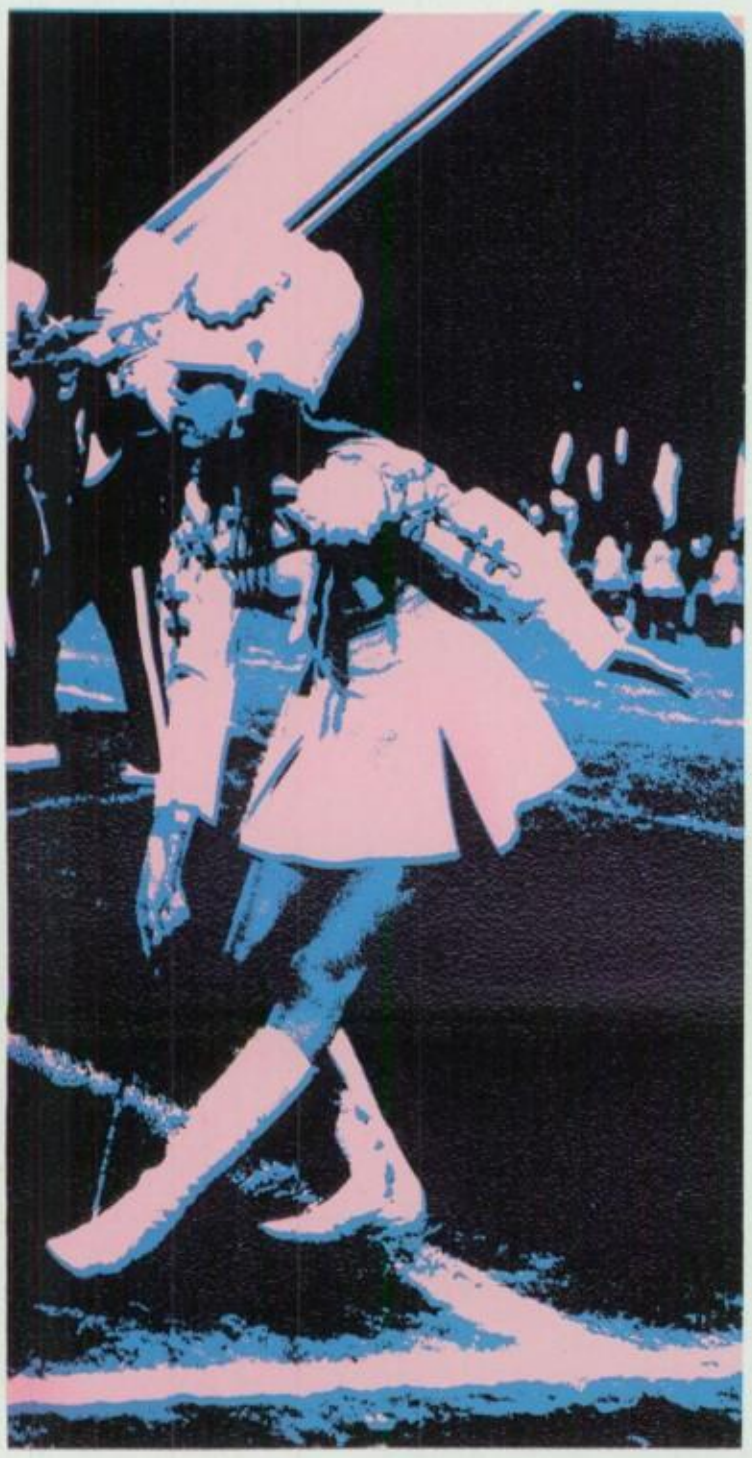
I forget how to spell MINGOES.

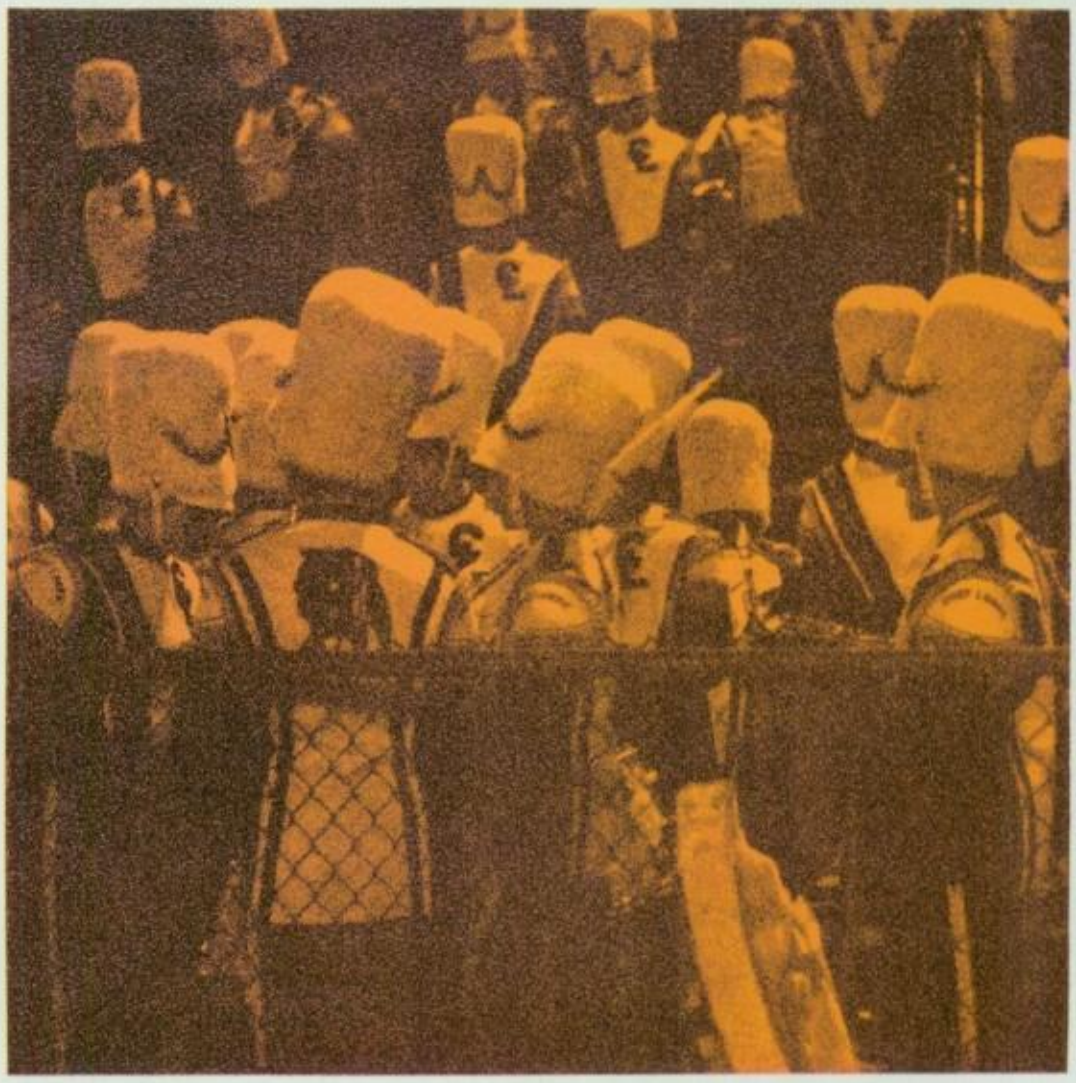
But I don't want to go to the office.

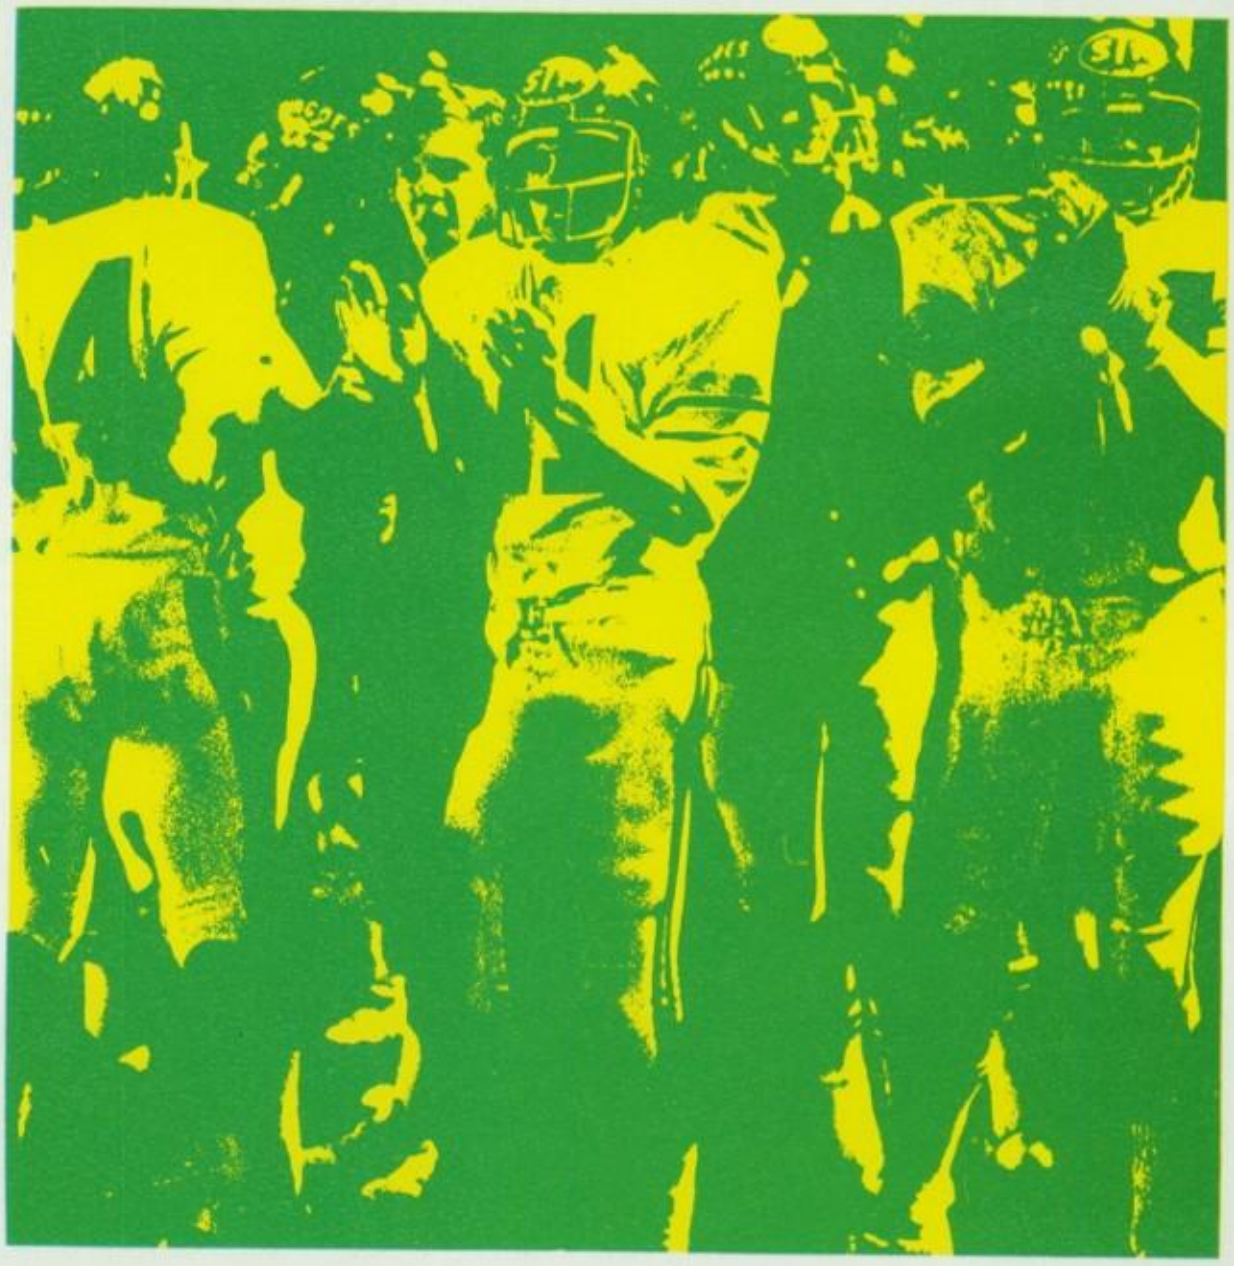
I'm just cleaning this field for the Phillies.

YOU'RE ON CANDID CAMERA









Life is one big CHEER.

And now . . . the no. 1. band at work.

Go, Go, Go

For here's to thee Chief Logan . . .

Do I feel like a fool or do I feel like a fool?

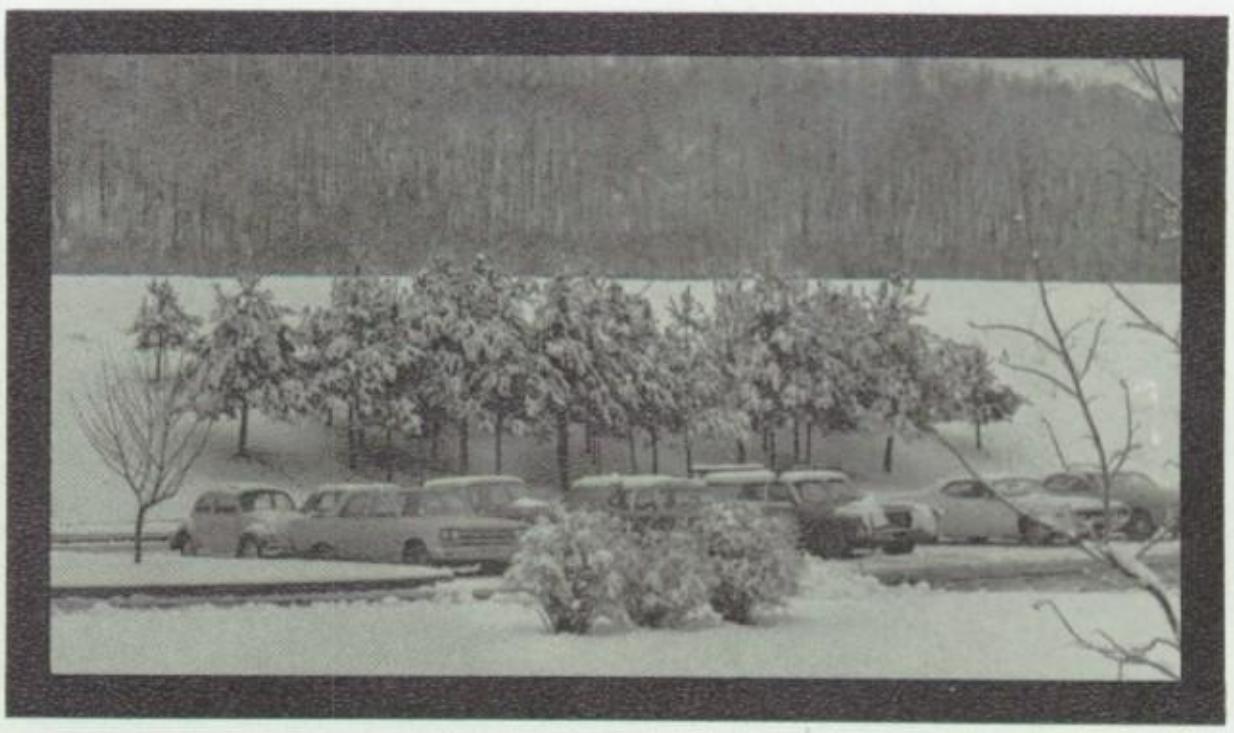
Very Funny!

Smile, Smile, Smile

We've got Legs!

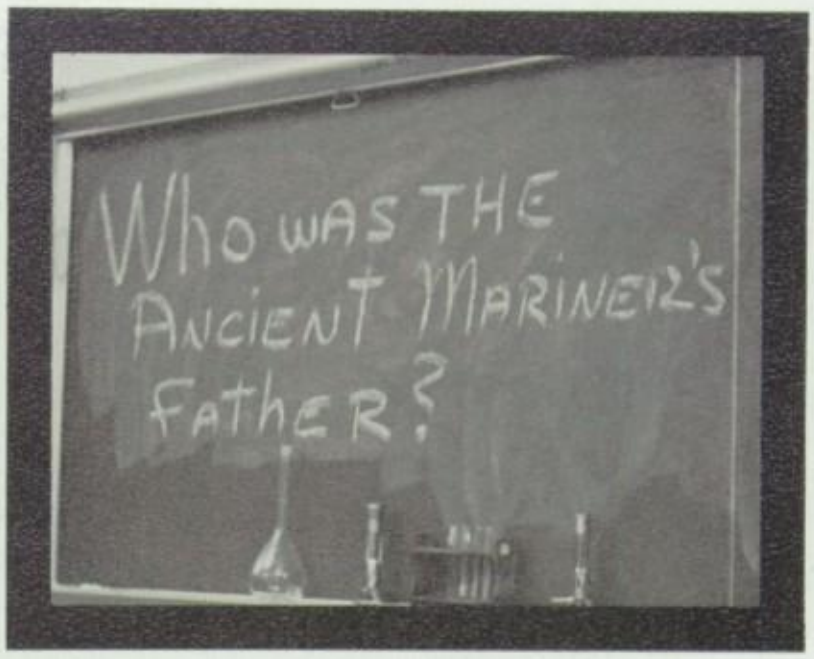
Hold still, this won't hurt a bit . . . .

The long and the short of it!



Let's cancel school

Are you sure the Lone Ranger started this way?



For answer, turn to page 230

Abraham Lincoln once said, "Upon the subject of education . . . I can only say that I view it as the most subject we, as a people, can be engaged in . . .?

There have been vast changes in our society since the early years of the political career of Mr. Lincoln, but the importance of education has remained among the prime issues of our nation.

Our students at Chief Logan have responded well to the challenges presented to them. They have been able to achieve success in the face of adversity. It is my hope that these students from Chief Logan continue to meet all challenges and to continue to succeed upon graduation.

Mingo Spirit . . . on fire.

Beware of boys with eyes of brown, they kiss you once and turn you down.

I just feel like walking on my hands.

A classic example of our respectable teachers.

I think I'm the only one yelling.

That's great Deb, but try both legs at the same time.

You're sure today's Saturday?

The French Club which is comprised of all interested French students, has been very active this year. Members have had the priviledge of meeting French exchange students, dining in French restaurants, and exploring the culture and history of France. You may even see the French four students making their way to Quebec this summer.

The 1974-75 German Club strove to send some of its members on a three-week summer tour of Germany. Fund-raising projects included the sale of a variety of imported items. These provided a portion of the funds necessary for this adventurous project.

Latin Club

The Latin Club was formed this year for the benefit of those who are truly interested in the Latin language and the culture behind it. The club covers topics which are not covered in class, such as life and customs of the Ancient Romans, their dress, and the structure of the Roman society. Each Latin class was in charge of a meeting. This resulted in some very interesting and stimulating programs. The club also enjoyed a picnic and a Roman meal.

The main goal of the A C Incorporated this year was to make a trip to New York. To do this, every member bought a share of stock. They also had many fund raising projects. On April 25th, they went to New York. There they visited the New York Stock Exchange, the United Nations, and the Statue of Liberty. They also took a walking tour of the city, went shopping, had dinner, and went to a theatre show. To finish their evening, they took a night tour of the city. At the end of the year the students sold the stock, distributed the profits, and dissolved the corporation.

The FHA is open to any student who has taken or is taking Home Economics. In these changing times, that includes both boys and girls. The club took a trip to the Farm Show this past January and they baked cookies for the people at the County Home. Of course every good homemaker learns how to host a party, so the club has enjoyed their many activities.

Seated: V. President—Deb Bell, Mrs. Wagner—advisor. Standing: President—Barb Hostetler, Treasurer—Gayle Baker, Secretary—Deb Sheaffer.

Folkart Society

The Folkart Society was just a new club this year. The club was open to students in all grades. They learned about the 1900 way of life in this area. The girls in the club learned how to make a quilt, while the boys involved themselves with whittling. They also learned how to cane chairs. Their plans for next year include building a log cabin.

Cheerleaders

Summer proved to be a busy time for the Varsity and Jr. Varsity Cheerleading squads. The Varsity squad attended a cheerleading clinic at Lycoming College in Williamsport, while the Jr. Varsity attended a clinic at Robert Morris College in Pittsburgh. Both squads learned new cheers, ideas, and skits, which they have used to entertain the students at weekly Pep Rallies and games.

The cheerleaders took on a new look for this year, with a new advisor and a new

Promote

r. High Squad. Advisor for all three squads s Ms. Virginia Nale, a former cheerleader or Chief Logan. The new Jr. High Squad consists of ten new cheerleaders and one vith experience. These girls are responible for cheering at all Jr. High events nd also at Girls Basketball games. The r. Varsity squad consists of ten members nd are required to cheer at Jr. Varsity vents. The Varsity squad is probably the usiest of the three. It consists of eleven members and is active at all Varsity events, nd Pep Rallies.

Winning Season

With little experience and a lot of hard work, the Chief Logan Varsity Football Squad came out with an overall record of 6-4. Head coach Joe Shirk summed up the football season by saying, "It wasn't the greatest C.L. team and it wasn't the worst C.L. team, but it was a team that learned as much as any other group of boys to have worn the green and white. They learned about the agony of defeat and had the satisfaction of coming back after losing and winning several key victories. They also learned the team was far more important than the individual which makes any season a successful endeavor." Senior Doug McMinn accomplished great recognition for the Chief Logan team by gaining over 1000 yards. Coaches Gene Brown and John Monsell's J.V.'s also had a winning season of 5-2-1 and have great outlooks for next years Varsity team.

Jr. High Finishes With A 5-2 Record

The Chief Logan Junior High Football team had a very successful season with a record of 5-2. Head Coaches Pauline and Roselle had very promising ideas for the team by saying, "The Junior High Football team was a represented team that should be heard from in the future. There are several competent young men who should fill the Varsity slots in the not too far future."

and pieces that didn't appear to be there fell into their places with surprising awareness. After the loss of four varsity lettermen from last year, high hopes seemed useless. But Mingo pride took over, Rob Pontius led his team to a sweeping 8-1 record, the District 6 Class B Championship, and 11th place in the State Championship, the best finish by a Mifflin County Cross Country team. Rob Pontius, who

Mingoettes

The Chief Logan Girl's Field Hockey Team started out their season with a lot of hard practice and determination.

After losing a heartbreaking opener to State College, the Mingoettes did not progress to their high expectations. Yet they maintained their Mingo Pride.

Show

Although their season was not successful, they learned how to work together and function as a team.

This year's graduation will see the loss of nine seniors, but a promising look for next year's team includes many experienced lassies and also a fine Junior Varsity Team that finished with a

Determination

a fine record of 4-3-3.

MINGOES

For the first time since 1968 the trophy signifying dominance of the Mountain League resides wit the Mingoes. After playing 9 of their first 14 games on opponents courts Chief posted a fine 11-3 recor and found themselves tie for the first cycle championship with Tyrone. The tie breaker was decided a Huntingdon in overtime when the Mingoes battled to overcome the 10 point lead which Tyrone bui during the fourth quarter. The result was a 68-59 win and the first cycle championship, in a game fan will remember for years to come.

CAPTURE

As the second cycle began the biggest challenges appeared to be, avenging an earlier loss to Philips burg, beating Central (who edged Chief in the Juniata Valley Christmas tourny), and handling upse minded Tyrone. The Mingoes proved ready for each challenge as they remained undefeated in secon cycle play going into the last game. Traditional rival, Lewistown, provided the only blemish as the edged Chief in the wild season finale.

Chief's playoff hopes ended at the district level when they lost to Forest Hills 59-52.

Spirit Is

The junior high team put together a good record of 10-4 after losses to two tough Altoona teams, Logan and Bishop Guilfoyle. The first game for the Mingoes was later in the season than that of

Winning

most schools and matched us with Logan Junior High, who had already played 6 games.

Factor

Early losses could have discouraged some teams but spirit and hussle became a team characteristic throughout the last games.

VARSITY WRESTLING

Grapplers

The Varsity Wrestling team had a hard season going up against some really tough opponents, finishing the season 6-8. Some of these accomplishments; however, were winning the Christmas Tournaments, with

Grind Out

three individual winners, Tom Pursel, Tom Henry, and Randy Loht. Beating a tough Williamsport team and defeating rival Lewistown. Captain Randy Loht had an outstanding season finishing 11-1. With

the good J.V. wrestlers and the undefeated Junior High Wrestlers there is bright promise for an outstanding Mingo wrestling team in the future.

GIRLS' VARSITY BASKETBALL

Mingoettes

The story of the season could be summed up by saying it had its ups and downs. The season record ended at 6 wins 9 losses, but could easily have been reversed since two games were lost by 2 points and one game by 5. The high point of the season was probably the win over Lewistown on their home court and the low point of the season occurred two games later when we lost to the same Lewistown team on our own court. A number of

Dribble To

fine individual efforts highlighted the season. Maryanne Martin led the team in scoring with 200 points for 13.3 point per game average. This was accomplished even though she missed 2 games due to an injury, and was good for a third place finish in scoring in the Tri-Valley League. Sharon Mitchell placed second in team scoring with 77 points and Annette Bottorf was third with 52 points. Tracy Groninger was a steady

6-9 Season

performer with her rebounding and passing as was the quarter-back of the team, Melinda Miller, who brought the ball up court and was the point of our offensive sets.

The all-new J.V. squad found that experience was their key factor in summing up the season and though they only won 2 games, they are looking forward to next year when they'll have a year's experience behind them.

Seventy four-seventy five was a year of building for the Chief Logan girls gymnastics team. Though the year was not a success in terms of meets won, it was a success in the improvement which the girls gained

through experience. A number of young girls will be the keys for the future success of Chief gymnastics. Experience is a significant factor to be a good gymnast, therefore the years ahead hold a promise of

victory. The Mingoes will end their season this year with a losing record, however our bright spot is that one of our youngest members, Dana Kuhns, will represent the Mingoe girls at District 6 competition.

Boys Gain

This year's gymnastic team had the best of times and the worst of times. Some of our individuals had excellent seasons winning constantly. Rick Rhinehelder, the all-around performer lost only once at Indiana during a particulary bad day. He was a consistent winner in many events the parallell bars being his best event. In this event, he is known as the best

Experience and

in the league. He was nominated as the best gymnast in District 6 and is one of the top three all-around men in the district. Paul Peffer won every meet except one on the high bar and is the top high bar man in District 6. The remaining members of the team are showing excellent progress but are

Show Progress

young and inexperience thus giving the team its major problem in lack of depth. That fact gave the team its worst of times in a dual meet competition. The good feelings hopefully will come from district and regional winners.

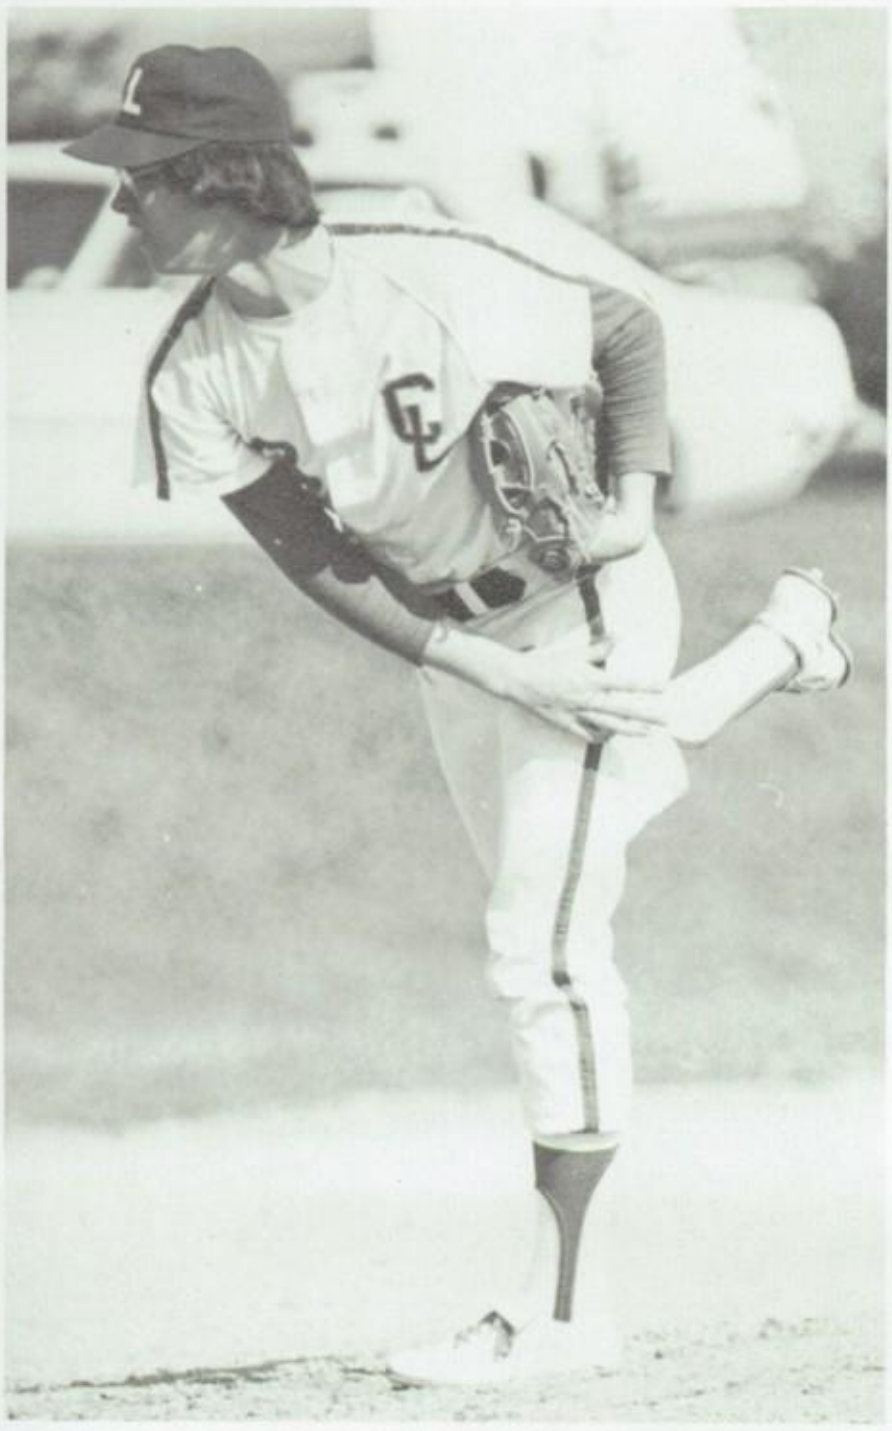
Coach John Monsell



The overall record for the 1973-74 Chief Logan Baseball season was 8-7. The record for the league was 6-2. Last year's season found Chief Logan the Huntingdon-Mifflin County League Champs.

MINGOES

The boys selected to the All-Star team were: Ed Snyder—first base, Randy Wray—second and third base, Randy Hertzler—pitcher. Honorable mention was given to Marty Kratzer in the outfield.

The Mingoes led the league in pitching and defense, but they were next to last in hitting. Randy Hertzler had a 1.31 earned run average. Ed Snyder was 2-0 in pitching. Top hitter was Marty Kratzer .286.

WIN

The Mingoes defeated Mt. Union in the final game of the league schedule, 3-1, to capture the league title.

LEAGUE TITLE

The Mingo ball club is looking forward to a good season. They hope their pitching continues since it was really effective in last year's season. And after leading the league in defense last year, they also want their defense to remain tough. Coach Monsell would like to see the team improve their hitting. There are numerous lettermen returning. This should make a good nucleus for a solid ball club.

MINGOETTES

The 1974 season was a year of learning for the girls' softball team. Many players had been lost to graduation, so it was left to the younger girls to come up and fill their places. They did a pretty good job as there were two freshmen, one sophomore, and six junior girls who received varsity letters. Although the girls posted a 4-9 season, they finished with a lot of experience to their names.

GAIN

The Mingoettes are looking forward to a good 1974-75 season since they lost just one player. They should have a powerful defense and they've shown some good hitting ability. The only position in which they seem to be lacking strength is pitching, but some players have shown that they could possibly help out in this area. So the upcoming season is one of anticipation and great hopes.

TRACK

Chief Logan's Track and Field Team has been and will continue to be very impressive. Last year the track team had four excellent letterman and a large group of boys who participated. Among these boys were a group of outstanding sprinters; Doug McMinn, Carl Snook, Scott Frye, Scott Matthews, and Jeff Archey. They comprised an 880 relay which was ranked as one of the best in the state. Outstanding distance runners were Rob Pontius who was the 1974 District Champ and a State Finalist. Also Bob Baumgardner was a District 6 and State Finalist. Many records were broken by the Mingoe runners, in the 440 relay, mile relay, 2 mile relay, and the mile run.

HAS

The team's record is quite impressive. They were 10-1, losing only to Altoona.

Coach Ron Sprecher says the 1975 track season should be a great one for the green and white due to an abundance of outstanding letterman.

GOOD

The field events are also looking forward to a good season. Last year they were just starting out, as they had no returning letterman. This year looks brighter. Brian Royer and Wayne Hower will be back to do a good job, and there are many hopefuls for pole vaulting. Also Ed Deamer will be back for the Mingoes, hurling the javlin.

As our senior year began, we found that our class had grown closer together. This was our last year at Chief Logan. We soon found ourselves planning for the class trip to Washington, D.C. The memories of the trip will remain with us always. The Senior Dinner Dance and Class Picnic made a perfect ending for our years at CLHS.

We must now look toward the future. As we each begin our seperate lives, we must use what we have gained in our years at Chief Logan.

Gus Becomes A Mingo

We at Chief Logan were very honored to have with us our first exchange student, Gustavo Edwardo Montoya, from Cali, Columbia in South America. "Gus" as his friends nicknamed him, didn't have a very hard time making any kind of social life for himself. With school studies however, Gus had a language barrier, which held him back. As it turned out, girls seemed to be Gus's favorite subject because he had no language problems there. He also turned out to be one of Chief Logan's most dedicated football fans. Gus was a great person and it has been a memorable experience having him at our school.

Gus stayed at the home of Mr. and Mrs. Thomas McElhaney whose daughter, Peggy, was Chief Logan's exchange student to South America.

Gus has found a way to avoid those long lines at the drinking fountain. (left) Gus just can't seem to keep his mind off his studies.

Gus found the American flag an interesting souvenir.

IN MEMORIAM

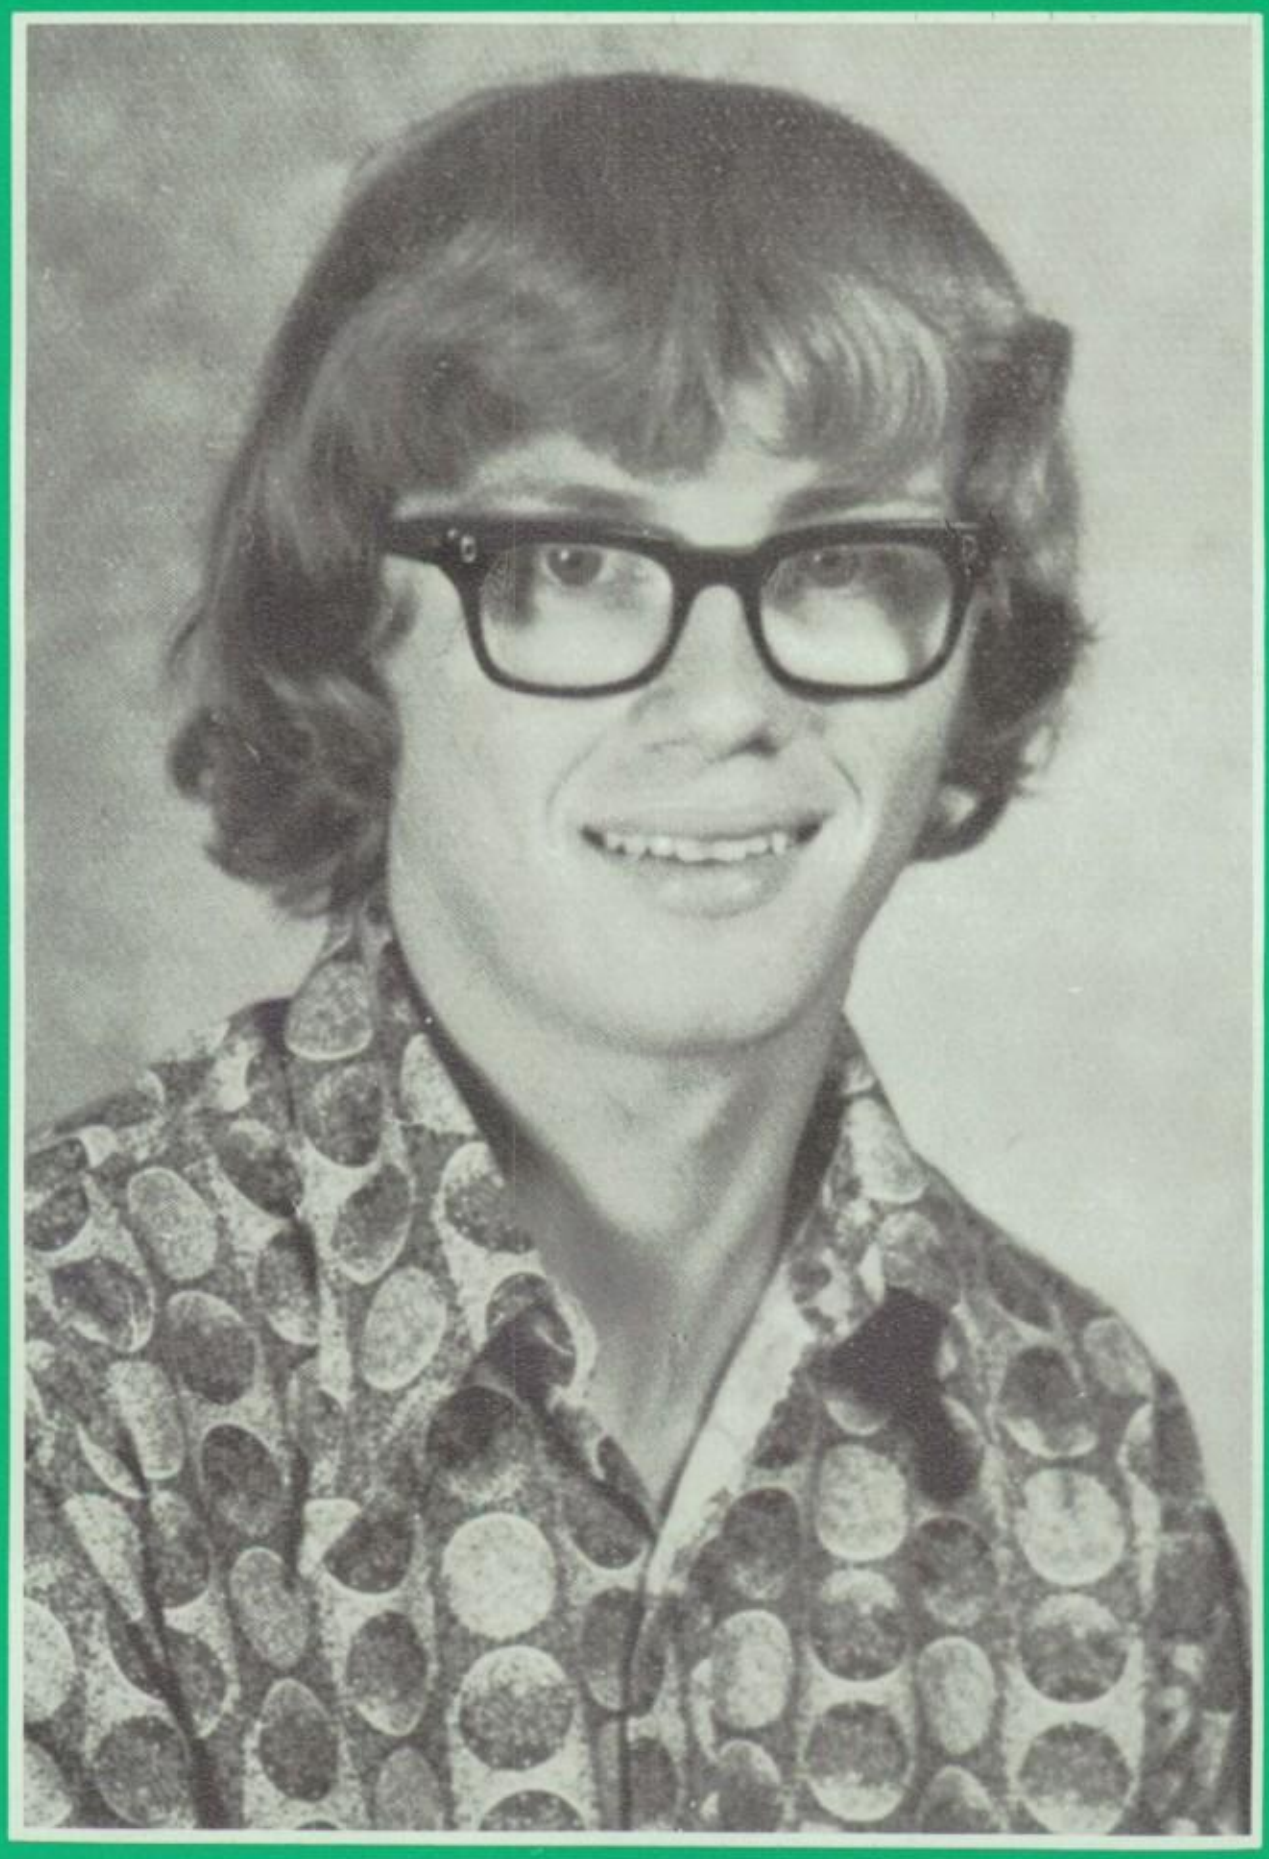
Steven Wise

In loving memory Of Steven Wise,
Who was real close to all us guys;
Steve is now in a far distant land—
We all remember him as a strong young man.

When you kneel down and pray,
Here is what I would like you to say:
Tell God to take care of this young man
Since he is with God and out of this land.

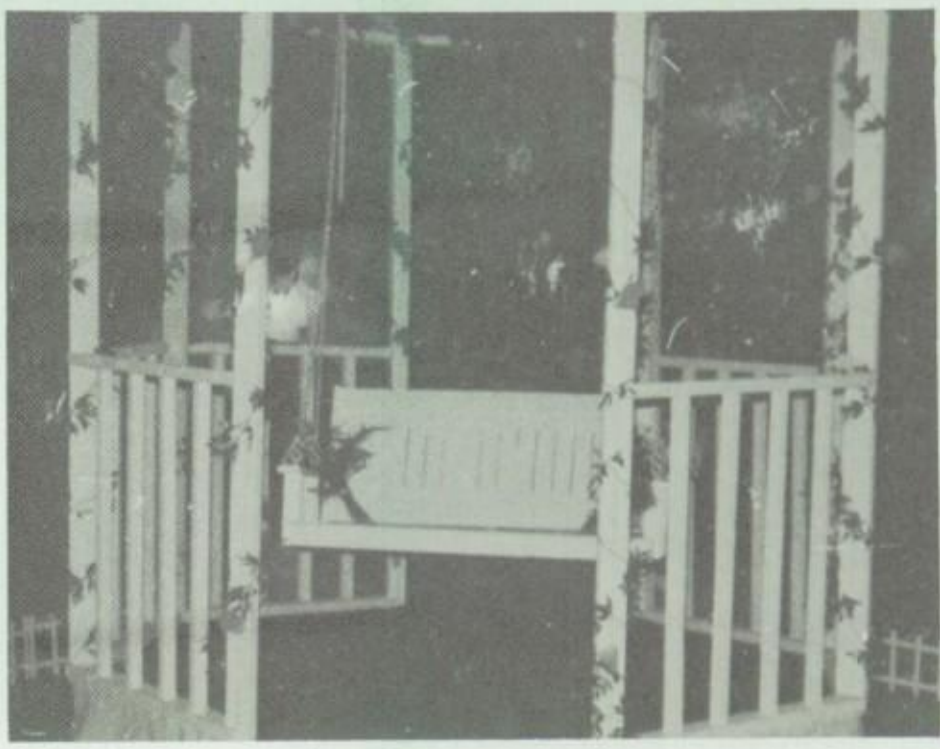
The day's will come and the day's will pass;
Our thinking of Steve will always last.
I wish Steve could hear what we're trying to say
Because Steve we miss you each and every day.

—John Benny



Memories—Prom 74

After many long and tiring hours of planning and preparation, the Juniors from the Class of 1975 converted the gym into a ballroom for the prom to honor the graduating seniors. The gym became an outdoor summertime scene with a large gizabo in the center of the floor. The landscape was appropriate for the prom's theme "Summer Breeze." When the prom night finally arrived, the Juniors and Seniors danced all evening to the sounds of the Continentals. When the magic hour drew near, the prom came to a close, and the annual after prom began at the Burnham "Y". There, a rockband provided music, and a hypnotist was present to provide many laughs for everyone. The prom was a success, and was an enjoyable and memorable evening for everyone.



Seniors Travel to D.C.

Looking back on our Senior year, some of our most pleasant memories are of our class trip to Washington D.C. They were three of the most interesting and enjoyable days of our lives. Places such as the Smithsonian Institute, the White House, the United States Capitol, the Washington Monument, and the Lincoln Memorial were no longer just names of famous places. Though seeing the sights of Washington consumed most of our visit, we did have some time to ourselves. After eating at Sholl's Cafeteria, we usually had a few minutes until the bus left, so many of us browsed around in the shops surrounding the cafeteria and some enjoyed feeding the pigeons in a nearby park. At the Woodner, our hotel, some of us spent our leisure time in the South Room, while others spent their free time gazing at the moon. Though it lasted only three short days, it seemed to bring our class closer together. The memories of the trip will stay with us long after we have all gone our seperate ways.

No Present Like the Time.

Graduates, right now you have one of the greatest gifts of all . . . time. And like no other time in your life, you have so many opportunities and choices open to you. Will you marry? Get a job? Go to college? Join the Service? Travel around the country or the world? It's up to you. Just be sure to choose wisely . . . and to include in your choices a bank you can depend on. A bank like First of Lewistown, your Friend for Life. Congratulations to all of you.

Kim,
But of course you
can't be a girl. But you will
be all you can be. Best wishes
for all your future endeavors
whether you continue your tennis
career or not. I would much rather
see you happy, & well adjusted
than a tennis star. Have a
wonderful summer, stay out of
trouble & keep in touch.
Love always
Kim '71

Kim
Best of luck in the
future to a real sweet (Hahe)
girl. Never forget how Dana &
I'd always cheer you yelling,
"MO MO!" Be good this summer
at all. If It will be possible

Kim,

Since you don't think I can remember all of the great times we had this year then we're going to take a little trip down memory lane.

I Remember 000...

Remember when I bet you a quarter and a strike out that you wouldn't go up and get another desert. Well you did and I must say that you are a better person for it.

Remember Browning it up with old Sandy (Mrs. Wargo) and how we bought our way on to the softball team.

Remember all of our softball games, no matter how painful.

Remember how we bugged Ms. Bach (old Barb). I know she loves us!

Remember dd straight arrow off the top Mr. M. Funsville, Saturday Night at the fights.

Remember when you chased me up to Biology. I still wonder about you.

Remember Eileens house and Planet Blood and Police Woman and the Pizza, yum yum!

Remember playing tennis up at Birch Hill and fighting with Mike, Harry, and that tall fairy! (whatsits mama)

Remember homeroom and talking during devotions and that drud R.B.

Remember your C in sex ed. and my A!

Remember gym class. No special reason just remember it.

And finally

Remember that you'll always be one of my dearest friends.

Love,

Beth

Buth

Bethard

Kim,
Good luck to the
a real skip off
the old block. Have
fun this summer and
always, Remember Biology
class and the time we finally talked
Mr. Martinelli To take us outside.

Kim,
Good luck to the
girl who is in my
Biology class. We could
have never yelled in there
without you. Take it easy
in the future and don't forget
the thing we shouted in school
Tim

Kim,

Best of luck to my dearest and very best friend. Remember All the fun we had remember All the dumb things we did when we were little kids. But most of All remember me. I hope you secced in everything you do (And try too) but keep smiling And being your same old self And you will. I hope you find that certain someone who will make you happy because you sure do deserve it. Well Ill see you this summer, And try not to get in to much trouble. Take care And God Bless.

"Love ya" B.T.T.E.
